VU'S 10/10 SERIES

We have more than 200 sporting partnerships with high profile organisations like [Melbourne Victory](#) and the [Western Bulldogs](#). These partnerships provide our students with opportunities to work in the industry while they study and successfully transition into roles as graduate employees. Our [Elite Athlete program](#) supports athletes to combine sport and study. [Hear from Jacinta Carroll](#) about how the program helped her to maintain her #1 water skiing world ranking, while succeeding in her studies in Sports and Exercise Science.

COVID-19 presents significant and unique challenges for the advancement of women's sport in Australia. Prior to the pandemic, Fiona McLachlan published her findings on the [ongoing challenge that female athletes and leagues have to establish financial security](#), all this before restrictions saw an abrupt end to matches. VU is committed to creating no boundaries for women and girls in sport and physical activity. Find out more about our new [Women in Sports scholarships and how we are investing in the future of women's sport](#).
