# OUR VALUE PROPOSITION TO OUR STUDENTS AND THE COMMUNITY

Victoria University (VU) aims to be a great university of the 21st century by being inclusive rather than exclusive. We will provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalised, flexible, well-supported and industry relevant learning opportunities. Achievement will be demonstrated by our students' and graduates' employability and entrepreneurship.

The applied and translational research conducted by our staff and students will enhance social and economic outcomes in our heartland communities of the West of Melbourne and beyond. Our graduates as employees and citizens will shape the industries in which they work and communities where they live. Healthier, smarter and more sustainable communities will result.

## **A MESSAGE FROM THE CHANCELLOR**

**As Chancellor of Victoria University I am honoured to preside at Graduations, to formally witness the extraordinary achievements of our students. I hope that you take great pride in what you have accomplished, and share in this special moment with your family, friends and the Victoria University community. Your success in completing your course of study is the reason we exist as an institution – to provide opportunities that enable you to succeed.**

Your graduation day is a significant milestone, so it is important to me and our community that each ceremony highlights the rich diversity of our University. We work hard to honour the celebratory nature of the occasion and create an uplifting experience for you to commemorate this milestone, as is the VU way.

You are graduating from Victoria University with the knowledge, skills and capabilities needed to be the next generation of creators and problem solvers, guiding us into the future. We have strived to give you an education which includes an understanding of the world of work and an appreciation of the society in which we live. We are now sending you out into the world to make a real difference and make your mark.

As a University we seek to not only provide you with a first class education, but it is important to us that we strengthen the communities from which you come, and in many cases, to which you will return. With you, we are improving our community, both locally and globally.

To each of our graduates – please savour your graduation day. Take the opportunity to reflect on all that you have accomplished so far, and to dream about the many experiences that are still to come. I hope that you will also take a moment to think about what your time at VU has meant to you.

You are now a member of our celebrated and ever-growing Alumni network, and I encourage you to stay connected as you commence the next step in your lifelong learning journey. You will always be an important part of the Victoria University family.

Congratulations and very best wishes for an exciting and successful future.

**Mr George Pappas AO**

Chancellor

## **A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT**

**My heartfelt congratulations to all our graduands at this important ceremony. As the Vice-Chancellor and President of Victoria University, I am honoured to celebrate your achievements with you in 2018. I would also like to extend a warm welcome to your family and friends who are sharing this special day with you.**

Today marks the day you can proudly hold your diploma or degree in your hand, and know that your hard work, persistence and sacrifice has paid off. Your award is an opportunity for you to make a real impact in the world; locally, nationally and globally. I ask that you take the skills and knowledge you have gained here at Victoria University and use them to not only better your own lives, but better the lives of those around you, both near and far.

In graduating from VU you are now alumni of a modern university which is among the world's best. While we remain the only tertiary institution based in the west of Melbourne, we have a growing international reputation. In 2017 we consolidated our place in the top 2% of universities worldwide. This recognition for your university enhances the value of the qualification you have worked so hard to earn. It will greatly assist you as you forge ahead in your chosen career and enable you to say with pride that you are a graduate of Victoria University – defined by a commitment to excellence and a strong moral purpose.

I join the Chancellor in encouraging you to remain connected to the University as part of our ever-growing Alumni community and I look forward to hearing more from you as you embrace your chance to join them as valued ambassadors of our institution.

Congratulations on reaching this exciting milestone and I wish you the best of luck as you take the next step along your own path to future success.

**Professor Peter Dawkins AO**

Vice-Chancellor and President

# VICTORIA UNIVERSITY

## 100 YEARS OF OPPORTUNITY AND SUCCESS

**Congratulations! You have achieved an important milestone. You have succeeded in your tertiary studies and we are delighted to send you into the world – or welcome you back for further study. You are now part of the VU family.**

Today's Victoria University is a direct descendant of Footscray Technical School, which first opened its doors to students in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne's West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the **Door of Opportunity** as a means of expressing to the entire community the school's purpose and reason for existence. Victoria University remains committed to that spirit and tradition as we embark on our next 100 years.

As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds to find success on their own terms, and in the process we strive to be a distinctive University of the 21st century.

For a quarter of century we have also been providing Opportunity and Success for international students. In Melbourne, nearly 20% of our total student population are international students from over 80 countries. Offshore, through high-quality partnerships, VU enrolls nearly 4,500 students per year in English, diploma, degree and master courses in China, Malaysia, Singapore, Vietnam and Sri Lanka. Consequently, VU holds official graduations in Malaysia and numerous graduation celebrations for our offshore students.

VU is especially proud of our international alumni as they provide marvellous contributions to their employers, families and communities all over the world.

We have grown into one of Australia's biggest and best universities, with over 40,000 enrolled students and just under 2000 staff. In September 2016 Victoria University was ranked in the prestigious Times Higher Education World Rankings in the Top 400 universities in the world, placing us in the top 2% globally.

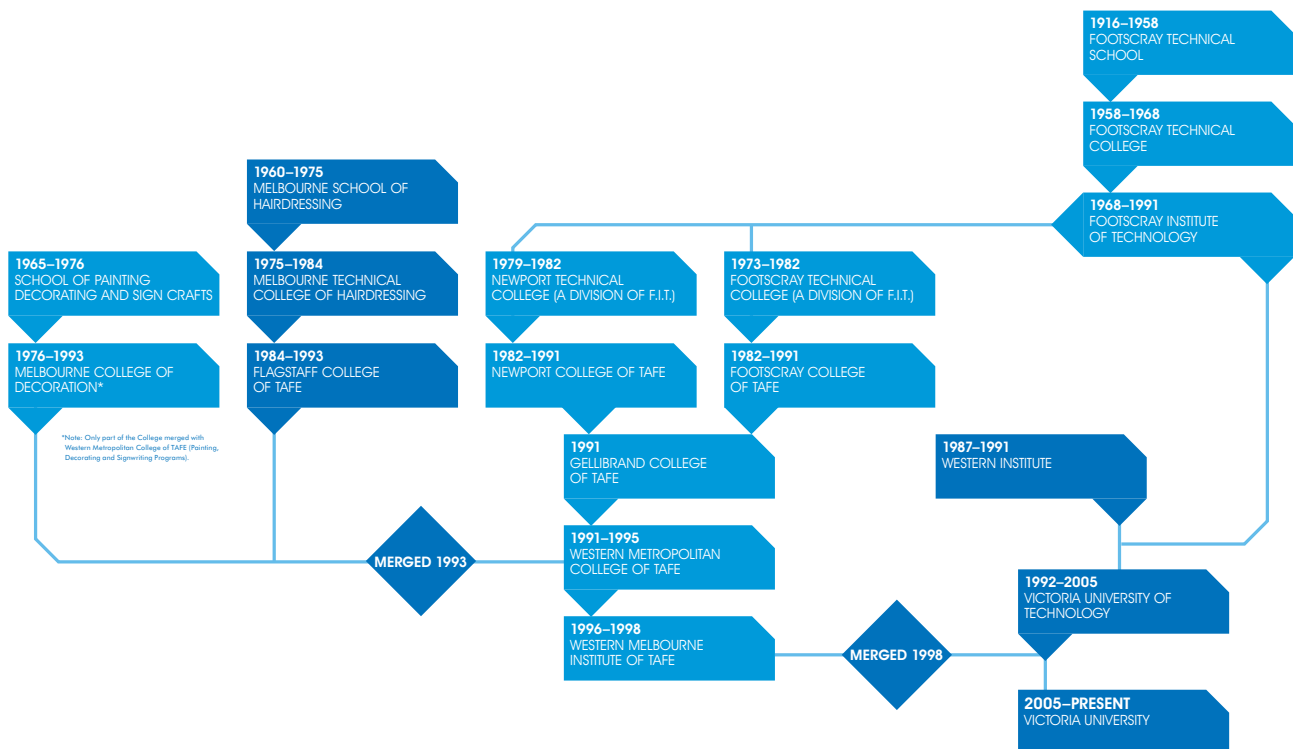

We have multiple campuses in Melbourne's CBD, and spread across Melbourne's western region, and a Sydney campus that offers courses to international students.

The University encompasses:

- ▶ six teaching colleges
- ▶ two interdisciplinary flagship research themes, delivered through six research focus areas
  - sport, health and active living
  - sustainable industries and liveable cities
- ▶ Victoria Polytechnic, VU's vocational training provider, and
- ▶ The Sir Zelman Cowen Centre within The College of Law and Justice.

## AT VU, FAMILY IS EVERYTHING

We are a young university with a long rich history dating back to the founding of Footscray Technical School in 1916. We are proud of each and every one of our students who have studied with us over our 100 year history. Where do you fit on the VU family tree?

## ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor’s gown is faced in gold and the Vice-Chancellor’s gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

|                |  |
|----------------|--|
| Ruby           | Arts                                       |
| Ultramarine    | Business or Business Administration        |
| Cherry         | Education                                  |
| Silver Grey    | Engineering                                |
| Old Rose       | Health Science                             |
| Parchment      | Law  |
| Pansy          | Music                                      |
| Buff           | Psychology                                 |
| Spectrum Green | Science, Applied Science and Sport Science |
| Gold           | Social Studies                             |
| Gold           | Sport and Recreation                       |
| Adonis Blue    | Doctor of Business                         |
| Cherry         | Doctor of Education                        |
| Graphite       | Doctor of Engineering                      |
| Pearl White    | Doctor of Laws                             |
| Ruby           | Doctor of Letters                          |
| Sapphire       | Doctor of Philosophy                       |
| Old Gold       | Doctor of Psychology                       |
| Spectrum Green | Doctor of Science                          |
| Sky Blue       | Doctor of the University                   |
| Tangerine      | TAFE Certificates                          |

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ▶ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ▶ the masters gown has a long narrow sleeve extension
- ▶ doctoral candidates wear a red gown.

### Academic dress for particular awards is as follows:

**Certificates** – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

**Diplomates and Graduate Certificates** – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

**Bachelors** – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

**Masters** – a black gown and black cap with a black hood fully lined with the discipline colour.

**Doctors** – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

**Indigenous Australians** – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria in gold silk, ‘Victoria University’ embroidered in gold on the left end of the stole, the sun embroidered in gold silk and ‘Ngaga Jindi Woraback’ embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.
