OUR VALUE PROPOSITION TO OUR STUDENTS AND THE COMMUNITY

Victoria University (VU) aims to be a great university of the 21st century by being inclusive rather than exclusive. We will provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalised, flexible, well-supported and industry relevant learning opportunities. Achievement will be demonstrated by our students' and graduates' employability and entrepreneurship.

The applied and translational research conducted by our staff and students will enhance social and economic outcomes in our heartland communities of the West of Melbourne and beyond. Our graduates as employees and citizens will shape the industries in which they work and communities where they live. Healthier, smarter and more sustainable communities will result.

A MESSAGE FROM THE CHANCELLOR

As Chancellor of Victoria University, I always feel privileged to preside at Graduations and to witness the enormous pride that our graduates take in their achievements. It is a pride that is shared by your family and friends, and by all VU staff and Council members. Your success in completing your course of study gives us great satisfaction.

As your graduation day is a significant milestone, it is important to me and the entire University community that each ceremony highlights the rich and genuine diversity of our University. We work hard to ensure that our ceremonies are friendly, inviting and engaging and that we honour the celebratory nature of the occasion. It is the VU way of doing things and those outside the VU community who attend our ceremonies never fail to comment on what an uplifting experience it is.

During your time with us, we have equipped you with the knowledge and skills required to thrive in a 21st century world. You now have the capacity to learn, adapt, and be flexible. You have shown an ability to set goals and achieve them. Throughout your study we have strived to give you an education which includes an understanding of the real world of work and an appreciation of the society in which we live. We are now sending you into the world to make a difference.

As a University we seek not only to provide you with a first class education but it is important to us that we strengthen the communities from which you come, and in many cases, to which you will return. Through you, and through the impact of our research on real world issues, we are improving our community, both locally and globally.

To each of our graduates – I urge you to enjoy your graduation day. Reflect on all that you have accomplished so far and on the many experiences still to come. Take a moment to think about what your time at VU has meant to you.

Please stay connected through our extensive Alumni network. You are now a member of our community and, as with all our students you will always be important to us.

Congratulations and very best wishes for an exciting and successful future.

Mr George Pappas AO

Chancellor

A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome, and my heartfelt congratulations to all graduands at this important ceremony. As the Vice-Chancellor and President of Victoria University, I am honoured to celebrate your achievements with you in 2018. I would also like to extend a warm welcome to your family and friends who are sharing this special day with you.

In graduating from VU you are now alumni of a contemporary university which is among the world's best. While we remain the only tertiary institution based in the west of Melbourne, we also have a growing international reputation.

We are ranked in the top 2% of universities worldwide in the Times Higher Education World University Rankings.

This recognition for your university enhances the value of the qualification you have worked so hard to earn. It will assist you as you forge ahead with your career and enable you to say with pride that you are a graduate of Victoria University.

I join the Chancellor in encouraging you to remain connected to the University as part of our ever-growing Alumni community and I look forward to hearing more from you as you embrace your chance to join them as valued ambassadors of our institution.

Your award is an opportunity for you to make a real impact in the world locally, nationally and globally. I ask that you take the skills and knowledge you have gained here at VU and use them as the first vital step in your lifelong learning journey.

Congratulations on reaching this exciting milestone.

Professor Peter Dawkins AO

Vice-Chancellor and President

VICTORIA UNIVERSITY

100 YEARS OF OPPORTUNITY AND SUCCESS

Congratulations! You have achieved an important milestone.

You have succeeded in your tertiary studies and we are delighted to send you into the world – or welcome you back for further study. You are now part of the VU family.

Today's Victoria University is a direct descendant of Footscray Technical School, which first opened its doors to students in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne's West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the **Door of Opportunity** as a means of expressing to the entire community the school's purpose and reason for existence. Victoria University remains committed to that spirit and tradition as we embark on our next 100 years.

As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds find success, and in the process we strive to be a distinctive University of the 21st century.

For a quarter of century we have also been providing exceptional educational opportunities for international students. In Melbourne, nearly 20% of our total student population are international students from over 80 countries. Offshore, through high-quality partnerships, VU enrolls nearly 4,500 students per year in English, diploma, degree and master courses in China, Malaysia, Singapore, Vietnam and Sri Lanka.

VU is especially proud of our international alumni as they provide marvellous contributions to their employers, families and communities all over the world.

We have grown into one of Australia's biggest and best universities, with over 42,000 enrolled students and just under 2000 staff. Victoria University is ranked in the top 2% of universities worldwide, in the prestigious Times Higher Education World Rankings.

We have campuses in Melbourne's CBD, and spread across Melbourne's western region, and a Sydney campus that offers courses to international students.

The University encompasses:

- ▶ seven teaching colleges
- ▶ Victoria Polytechnic, VU's vocational training provider, and
- ▶ Two research institutes in our flagship areas of Sport, Health and Active Living and Sustainable Industries and Liveable Cities.

AT VU, FAMILY IS EVERYTHING

We are a young university with a long rich history dating back to the founding of Footscray Technical School in 1916. We are proud of each and every one of our students who have studied with us over our 100 year history. Where do you fit on the VU family tree?

ACKNOWLEDGEMENT OF COUNTRY

Victoria University acknowledge the Ancestors, Elders and families of the Boonwurrung and Woiwurrung of the Kulin who are the traditional owners of University land. As we share our own knowledge practices within the University may we pay respect to the deep knowledge embedded within the Aboriginal community and their ownership of Country. We acknowledge that the land on which we meet is a place of age old ceremonies of celebration, initiation and renewal and that the Kulin people's living culture has a unique role in the life of this region.

THE UNIVERSITY MACE – AN ESTABLISHED TRADITION

Our graduation ceremonies begin with the entrance of the University mace, signifying the authority of the Chancellor. Carried by the Mace Bearer, the mace symbolises learning, scholarship and our rich history. The mace connects us with those who have come before and those who will follow in the pursuit of learning. Made of sterling silver and 24-carat gold, the design includes the letter 'V', standing for Victoria – our University's home and namesake.

ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor’s gown is faced in gold and the Vice-Chancellor’s gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science, Applied Science and Sport Science
Gold	Social Studies
Gold	Sport and Recreation
Adonis Blue	Doctor of Business
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ▶ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ▶ the masters gown has a long narrow sleeve extension
- ▶ doctoral candidates wear a red gown.

Academic dress for particular awards is as follows:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

Indigenous Australians – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria in gold silk, ‘Victoria University’ embroidered in gold on the left end of the stole, the sun embroidered in gold silk and ‘Ngaga Jindi Woraback’ embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.

HONORARY DEGREE CITATION

Professor Rufus Black

Victoria University is proud to honour Professor Rufus Edward Ries Black, former Deputy Chancellor, for his significant role in the growth and development of Victoria University as a long-serving member of the VU Council, and for his significant contribution to the public policy, education and entrepreneurship sectors.

Professor Black was educated at Wesley College and at the University of Melbourne, where he resided at Ormond College and graduated with a Bachelor of Arts in Politics and Economics and a Bachelor of Laws with Honours in 1994. In 1992 he won a Rhodes Scholarship, and he obtained a Diploma of Theology and Master of Philosophy in Ethics and Theology in 1994 from Keble College, Oxford. He was awarded a Doctor of Philosophy in Ethics and Theology from Magdalen College, Oxford in 1996.

Professor Black began his academic career at Oxford University as a tutor from 1994 to 1996. From 1997 to 1999, he served as Chaplain of Ormond College and the Sanderson Fellow at the United Faculty of Theology, where he lectured in ethics.

He has combined his academic career with one in the private sector, including in the area of public policy and consulting at McKinsey & Company, where he worked as a consultant from 2000 to 2006 and later as a partner from 2007 to 2008. Professor Black has undertaken significant public policy commissions, including the Accountability and Governance Review at the Department of Defence in 2010 and the Prime Minister's Independent Review into the Australian Intelligence Community in 2011.

In 2009 Professor Black was appointed to the role of Master of the University of Melbourne's Ormond College, the largest residential college of the University, a role he held until 2017. He was also an Enterprise Professor in the Department of Management and Marketing in the Faculty of Business and Economics and Principal Fellow in Philosophy at the University of Melbourne.

Professor Black joined Victoria University Council in January 2012 as a Council Appointed Member, and was re-appointed in both 2015 and 2017. In November 2013 he was elected to the position of Deputy Chancellor, and re-elected in 2015. During his time at Victoria University, he became an integral member of the VU Council. Professor Black was a Member of the Resources/ Finance and Investment Committee from November 2013, Chair of the Infrastructure Committee from June 2016, and also served as a member of the Remuneration Committee from January 2013 until May 2017. Rufus set up and led the development of the Infrastructure Planning Committee of Council. He was a key driver behind the committee, which has an advisory role assisting the Council in fulfilling its infrastructure planning, development and construction management activities for all major capital projects.

Professor Black is co-founder of the Wade Institute for Entrepreneurship and the Founding Chair of the Board for Teach for Australia. He was director of the New York-based Teach for All from 2010 to 2015, and a director for national law firm Corrs Chambers Westgarth, the Walter and Eliza Hall Institute for Medical Research and Innovation Science Australia.

In March 2018 Professor Black was appointed to the role of Vice-Chancellor and President of the University of Tasmania. Professor Black is currently the President of the Museums Board of Victoria.

In recognition of his outstanding contribution to Victoria University as a long-serving member of the VU Council, and for his significant contribution to the public policy, education and entrepreneurship sectors, I present to you, for admission to the degree of Doctor of the University, *honoris causa*, Rufus Edward Ries Black.
