VICTORIA UNIVERSITY

A Message From the Chancellor

As Chancellor of Victoria University I take pride in seeing first-hand the success of our students, the real world impact of our researchers and the contribution we make to the community. I am constantly impressed by our many achievements and the outstanding qualities of both our students and staff.

However, I can honestly say that nothing gives me more pleasure than presiding at our Graduation Ceremonies. I believe that these ceremonies truly reflect the special nature of our University. Each one is a celebration of an individual student's achievement, an acknowledgement of their determination and will to succeed. It is also the occasion when family and friends can be justifiably proud and they can also be thanked for their support.

Our ceremonies are warm and spontaneous and they highlight the rich and genuine diversity of our University. As with all things VU we have our own way of doing things and those outside the VU community who attend our ceremonies never fail to comment on what an uplifting experience it is.

So do enjoy your graduation day. Reflect on all that you have accomplished so far and on the many experiences still to come. Take a moment to think about what your time at VU has meant to you. Give some thought to staying connected through our extensive Alumni network because you are now a VU alumni.

You are now a member of our community and, as with all our students you will always be important to us. Congratulations.

Mr George Pappas AO
Chancellor

A Message From the Vice-Chancellor and President

Welcome, and my heartfelt congratulations to all graduands at this important ceremony. As the Vice-Chancellor and President of Victoria University, I am honoured to celebrate your achievements with you in 2016. I would also like to extend a warm welcome to your family and friends who are sharing this special day with you.

Today marks the day you can proudly hold your diploma or degree in your hand, and know that your hard work and persistence has earned you this wonderful accomplishment. I ask that you take the skills and knowledge you have gained here at Victoria University and use them as the first vital step in your lifelong learning journey.

As the University of Opportunity and Success, we aspire to deliver a learning and teaching experience that empowers a diversity of students to grow their capabilities and transform their lives for the better. Your award is an opportunity for you to make a real impact in the world; locally, nationally and globally.

This year is a year like no other at Victoria University – we are celebrating a ‘Centenary of Opportunity’, it has been 100 years since our predecessor institution, Footscray Technical School first welcomed students. It is also the 25th anniversary of becoming a university.

These milestones give cause to both celebrate and to reflect upon the past 100 years. It is also a wonderful time to look forward to our next 100 years.

Victoria University has had a transformational impact on thousands of students, from diverse educational, social and cultural backgrounds for one hundred years. As graduates of Victoria University, you have now become a part of this proud and growing history.

I encourage you to remain connected to the University as part of our ever growing Alumni community and I look forward to hearing more from you as you embrace your chance to join them as valued ambassadors of our institution. Let it be known that you are now a graduate of Victoria University – defined by a commitment to excellence in everything you do.

Congratulations on reaching this exciting milestone and I hope that you will be inspired to find your true success.

Professor Peter Dawkins
Vice-Chancellor and President

Victoria University

A CENTENARY OF OPPORTUNITY

Congratulations! You've made it. You have succeeded in your studies and we are delighted to send you into the world – or welcome you back for further study. You are now part of the history of Victoria University.

Today's Victoria University is a direct descendant of Footscray Technical School, which first opened its doors to students in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne's West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the Door of Opportunity as a means of expressing to the entire community the school's purpose and reason for existence.

In 2016 Victoria University remains committed to that spirit and tradition. As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds to find true success, and in the process we strive to be a distinctive university of the 21st century.

We have grown into one of Australia's biggest and best universities, with over 42,800 enrolled students and just over 2000 staff.

Our students are from all over the world. More than 9,000 international students from almost 100 countries are studying with us.

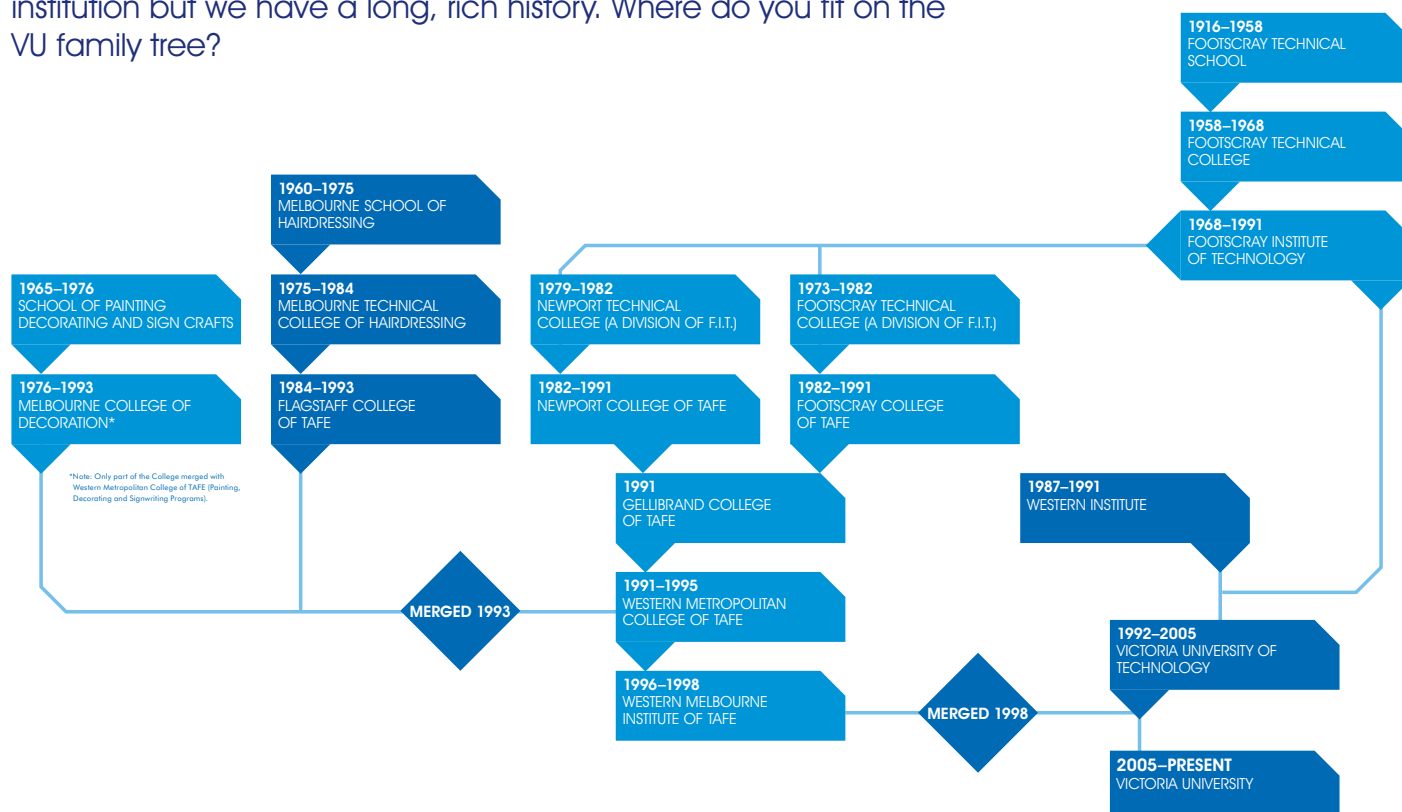

We have 10 campuses – three in Melbourne's CBD, six spread across Melbourne's western region, and a small Sydney campus that offers courses to international students.

The University encompasses:

- seven colleges
- six research institutes
- six major research centres
- Victoria Polytechnic, VU's TAFE division
- VU College – responsible for overseeing VU's extensive transnational education programs, and
- The Sir Zelman Cowen Centre within the College of Law and Justice.

AT VU, FAMILY IS EVERYTHING

Our Centenary is a special milestone and we want to celebrate in a manner that brings the whole family together. We are a young institution but we have a long, rich history. Where do you fit on the VU family tree?

The University Mace – An Established Tradition

Our graduation ceremonies begin with the entrance of the University mace, signifying the authority of the Chancellor. Carried by the Mace Bearer, the mace symbolises learning, scholarship and our rich history. The mace connects us with those who have come before and those who will follow in the pursuit of learning. Made of sterling silver and 24-carat gold, the design includes the letter 'V', standing for Victoria – our University's home and namesake.

University Medals for Excellence

In recognition of those students who have excelled in their learning, achievements or leadership during their studies, Victoria University will award medals of excellence at graduation ceremonies from the following categories:

- Undergraduate Vocational Education
- Undergraduate Higher Education
- Postgraduate by Coursework
- Postgraduate Research

Academic Dress

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor's gown is faced in gold and the Vice-Chancellor's gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science or Applied Science
Gold	Social Work
Adonis Blue	Doctor of Business and Doctor of Business Administration
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- the masters gown has a long narrow sleeve extension
- doctoral candidates wear a red gown.

Academic dress for particular awards is as follows:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

Indigenous Australians – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria in gold silk, 'Victoria University' embroidered in gold on the left end of the stole, the sun embroidered in gold silk and 'Ngaga Jindi Woraback' embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.
