OUR VALUE PROPOSITION TO OUR STUDENTS AND THE COMMUNITY

Victoria University (VU) aims to be a great university of the 21st century by being inclusive rather than exclusive. We will provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalised, flexible, well-supported and industry relevant learning opportunities. Achievement will be demonstrated by our students' and graduates' employability and entrepreneurship.

The applied and translational research conducted by our staff and students will enhance social and economic outcomes in our heartland communities of the West of Melbourne and beyond. Our graduates as employees and citizens will shape the industries in which they work and communities where they live. Healthier, smarter and more sustainable communities will result.

A MESSAGE FROM THE CHANCELLOR

As Chancellor of Victoria University, I am privileged to preside at Graduations and to witness the enormous pride that our graduates take in their achievements. It is a pride that is shared by your family and friends, and by all VU staff and Council members. Your success in completing your course of study is our greatest reward.

As your graduation day is a significant milestone, it is important to me and the entire University community that each ceremony highlights the rich diversity of our University. We work hard to ensure that our ceremonies are friendly, inviting and engaging and that we honour the celebratory nature of the occasion.

During your time with us, we have equipped you with the knowledge and skills you need to thrive in the modern world. You now have the tools to learn, to adapt, to be flexible, to be resilient and to succeed. You have shown an ability to set goals and achieve them. Throughout your study we have strived to give you an education which includes an understanding of the real world of work and an appreciation of the society in which we live. We are now sending you into the world to make a difference.

As a University we seek not only to provide you with a first class education but it is important to us that we strengthen the communities from which you come, and in many cases, to which you will return. Through you, and through the impact of our research on real world issues, we are improving our community, both locally and globally.

To each of our graduates – I urge you to enjoy your graduation day. Reflect on all that you have accomplished so far and on the many experiences still to come. Take a moment to think about what your time at VU has meant to you.

Please stay connected through our extensive Alumni network. You are always a member of our community and, as with all our students you will always be important to us.

Congratulations and very best wishes for an exciting and successful future.

Mr Wayne Kayler-Thomson

Chancellor

A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome, and my heartfelt congratulations to all graduands at this important ceremony. As the Vice-Chancellor and President of Victoria University, I am honoured to celebrate your achievements with you in 2020. I would also like to extend a warm welcome to your family and friends who are sharing this special day with you.

In graduating from VU you are now alumni of a modern university which is among the world's best. While we remain the only tertiary institution based in the west of Melbourne, we also have a growing international reputation.

We are ranked in the top 2% of universities worldwide in the Times Higher Education World University Rankings. We are also ranked #45 in the world in the 2019 Times Higher Education Young University Rankings, a significant milestone for such a young institution.

This is important to us because it enhances the value of the qualification you have worked so hard to earn. It will assist you as you forge ahead with your career both here and abroad and enable you to say with pride that you are a graduate of Victoria University.

I join the Chancellor in encouraging you to remain connected to the University as part of our ever-growing Alumni community and I look forward to hearing more from you as you embrace your chance to join them as valued ambassadors of our institution.

Your award is an opportunity for you to make a real impact in the world locally, nationally and globally. I ask that you take the skills and knowledge you have gained here at VU and use them as the first vital step in your lifelong learning journey.

Congratulations on reaching this exciting milestone.

Professor Peter Dawkins AO

Vice-Chancellor and President

A MESSAGE FROM THE DEPUTY VICE-CHANCELLOR VOCATIONAL EDUCATION AND PATHWAYS, VICTORIA UNIVERSITY

As the Deputy Vice-Chancellor of Vocational Education and Pathways, on behalf of Victoria University, it gives me a great sense of pride to participate in your graduation ceremony today.

Congratulations on your achievement. The graduation ceremony is an opportunity to reflect on your journey so far and your future vision, as we celebrate your success and efforts with your family, friends and peers.

Last year, was a big year for VU Polytechnic, with so many exciting initiatives underway. We completed construction of the Sunshine Skills Hub, a state-of-the-art learning space that welcomed its first students in February this year. We were awarded the Inclusive Training Provider of the Year, at the Victorian Training Awards, a testament to our open and accessible education offer. Our staff and students showcased their work at many local, State and global events. Your experience and outcomes have helped shape many of these initiatives. Now, as alumni, you continue to be an important part of our community of lifelong learners and we hope you follow our progress and continue to shape our developments.

Your hard work will provide ongoing value throughout your chosen career and for your personal growth. Today, celebrate and enjoy this special occasion.

Mr Grant Dreher

Deputy Vice-Chancellor, Vocational Education and Pathways

100 YEARS OF OPPORTUNITY AND SUCCESS

Congratulations! You have achieved an important milestone.

You have succeeded in your tertiary studies and we are delighted to send you into the world – or welcome you back for further study. You are now part of the VU Polytechnic family.

Today's Victoria University Polytechnic is a direct descendant of Footscray Technical School, which first opened its doors to students in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne's West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the **Door of Opportunity** as a means of expressing to the entire community the school's purpose and reason for existence. Victoria University remains committed to that spirit and tradition as we embark on our next 100 years.

As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds find success, and in the process we strive to be a distinctive University of the 21st century.

VU Polytechnic are especially proud of our alumni. Our graduates are equipped with both the technical skills and thinking abilities needed to adapt and evolve in a modern work setting.

We have grown into one of Australia's biggest and best dual-sector universities, with over 42,000 enrolled students and just under 2000 staff. Victoria University is ranked in the top 2% of universities worldwide, in the prestigious Times Higher Education World Rankings.

We have campuses in Melbourne's CBD, and spread across Melbourne's western region, and a Sydney campus that offers courses to international students.

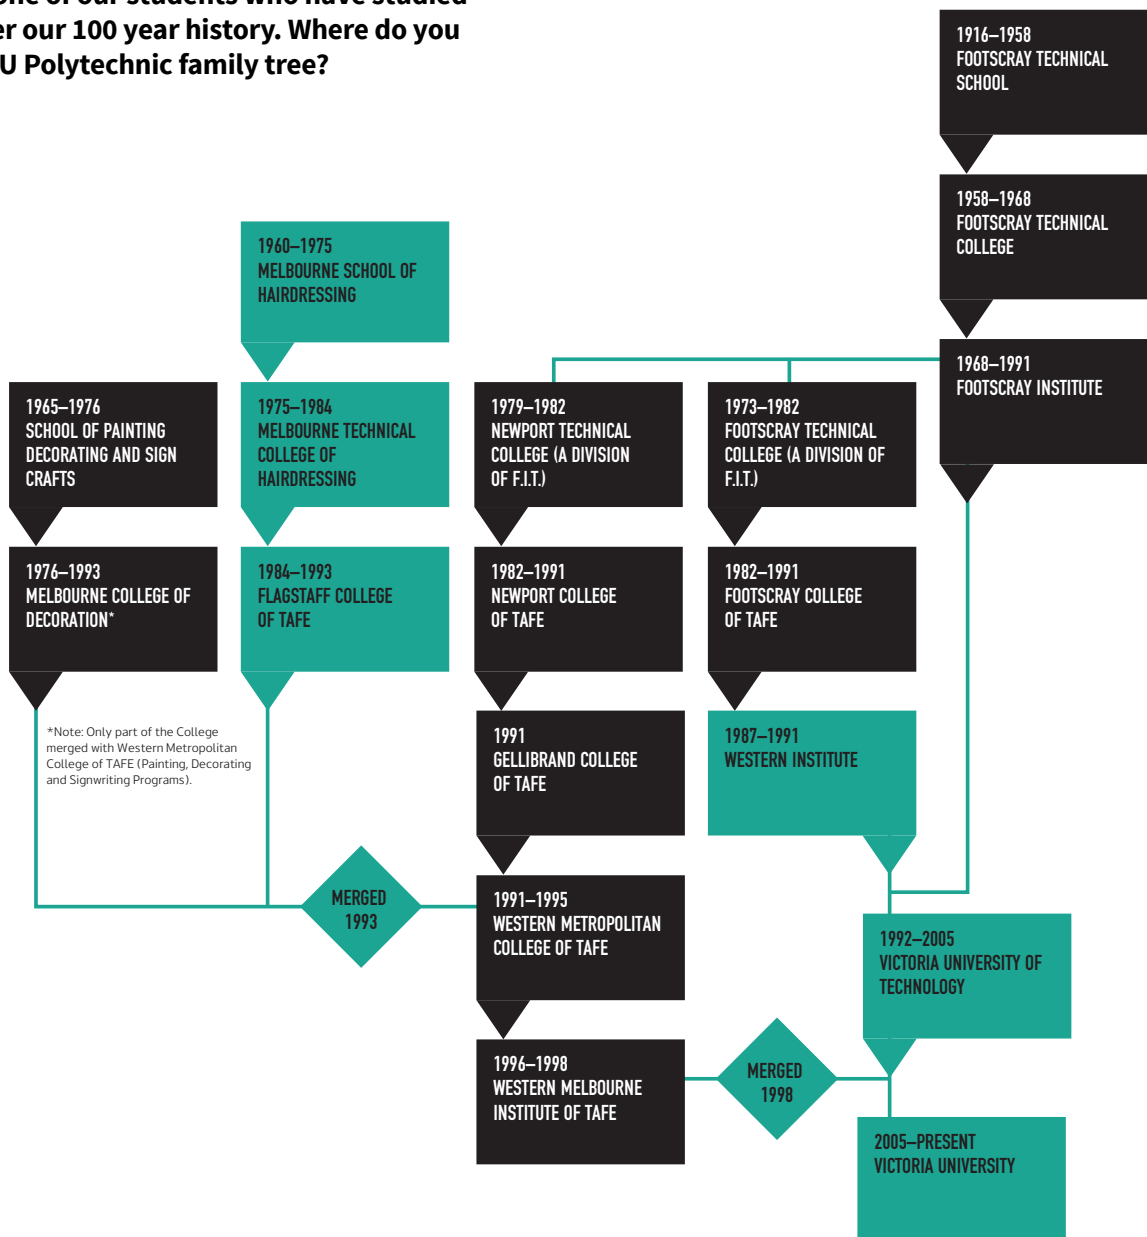

The University encompasses:

- ◆ Victoria University Polytechnic, VU's vocational training provider
- ◆ Seven teaching colleges, and
- ◆ Two research institutes in our flagship areas of Sport, Health and Active Living and Sustainable Industries and Liveable Cities.

AT VU POLYTECHNIC, FAMILY IS EVERYTHING

We are a young university with a long rich history dating back to the founding of Footscray Technical School in 1916. We are proud of each and every one of our students who have studied with us over our 100 year history. Where do you fit on the VU Polytechnic family tree?

ACKNOWLEDGEMENT OF COUNTRY

Victoria University acknowledge the Ancestors, Elders and families of the Boonwurrung and Woiwurrung of the Kulin who are the traditional owners of University land. As we share our own knowledge practices within the University may we pay respect to the deep knowledge embedded within the Aboriginal community and their ownership of Country. We acknowledge that the land on which we meet is a place of age old ceremonies of celebration, initiation and renewal and that the Kulin people's living culture has a unique role in the life of this region.

THE UNIVERSITY MACE — AN ESTABLISHED TRADITION

Our graduation ceremonies begin with the entrance of the University mace, signifying the authority of the Chancellor. Carried by the Mace Bearer, the mace symbolises learning, scholarship and our rich history. The mace connects us with those who have come before and those who will follow in the pursuit of learning. Made of sterling silver and 24-carat gold, the design includes the letter 'V', standing for Victoria – our University's home and namesake.

ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood (also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor’s gown is faced in gold and the Vice-Chancellor’s gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science, Applied Science and Sport Science
Gold	Social Studies
Gold	Sport and Recreation
Adonis Blue	Doctor of Business
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ◆ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ◆ the masters gown has a long narrow sleeve extension
- ◆ doctoral candidates wear a red gown.

ACADEMIC DRESS FOR PARTICULAR AWARDS IS AS FOLLOWS:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour.

Indigenous Australians – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria in gold silk, ‘Victoria University’ embroidered in gold on the left end of the stole, the sun embroidered in gold silk and ‘Ngaga Jindi Woraback’ embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.

UNIVERSITY MEDALS FOR ACADEMIC EXCELLENCE

Victoria University awards the University Medal for Academic Excellence in order to recognise high-achieving students who demonstrate the University's commitment to excellence, and display the attributes of a future generation of academic leaders.

Higher Education medals are awarded to students in each college in any of the following categories:

- ◆ Undergraduate Studies
- ◆ Undergraduate Honours
- ◆ Postgraduate Coursework.

Medals are awarded to those graduates who have achieved consistent academic excellence over the duration of their course and a Grade Point Average of at least 6.8 out of maximum of 7.

Congratulations to the recipients of the University Medal for Academic Excellence:

Tracy Mercieca
