OUR VALUE PROPOSITION

Our students and the community

Victoria University (VU) aims to be a great university of the 21st century by being inclusive rather than exclusive. We will provide exceptional value to our diverse community of students by guiding them to achieve their career aspirations through personalised, flexible, well-supported and industry relevant learning opportunities. Achievement will be demonstrated by our students' and graduates' employability and entrepreneurship.

The applied and translational research conducted by our staff and students will enhance social and economic outcomes in our heartland communities of the West of Melbourne and beyond. Our graduates as employees and citizens will shape the industries in which they work and communities where they live. Healthier, smarter and more sustainable communities will result.

A MESSAGE FROM THE CHANCELLOR

As Chancellor of Victoria University, I take enormous pride in the achievements of our graduates. It is a pride that is shared by your family and friends, and by all VU staff and Council members.

Your success in completing your course of study is our greatest reward. Your graduation day is a significant milestone. It is important to me and the entire university community that each ceremony highlights the rich diversity of our institution and honours the celebratory nature of the occasion.

During your time with us, we have equipped you with the knowledge and skills you need to thrive in the modern world. You have shown an ability to set goals and achieve them. You have the tools to learn, to adapt, to be flexible, to be resilient and to succeed.

Throughout your study we have strived to give you an education which includes an understanding of the workforce and an appreciation of the world in which we live. We are now sending you out into the world to make a difference.

As a university we seek not only to provide you with a first class education but it is important to us that we strengthen the communities from which you come, and in many cases, to which you will return. Through you, and through the impact of our research on real world issues, we are improving our community, both locally, nationally and globally.

To each of our graduates – enjoy your well-deserved graduation day. I encourage you to reflect on all that you have accomplished so far and on the many experiences that are still to come.

You will always remain a member of the VU family. Please stay connected through our extensive alumni network and keep us updated on the achievements you are making in the world.

I hope that VU means as much to you as it does to me.

Congratulations and my very best wishes for an exciting and successful future.

Regards, Steve

A MESSAGE FROM THE VICE-CHANCELLOR AND PRESIDENT

Welcome - and my heartfelt congratulations to all graduands at this important ceremony. I am delighted to be able to celebrate your achievements alongside you in 2021.

In the short time I have had the privilege of being Vice-Chancellor of this wonderful institution, it has become clear that our students are diverse, resilient, resourceful and passionate about achieving their goals. This has never been more evident than in the last year, when your studies were disrupted by COVID-19. Your achievement here today is remarkable, and I hope you are as proud of yourselves as I am.

In graduating from VU you become alumni of a university which is among the world's best. This enhances the value of the qualification you have worked so hard to earn. It will assist you as you forge ahead with your career both near and far.

I can think of no other Australian university that has more potential than VU

to influence and contribute to its communities. This is where you come in: your award is an opportunity for you to make a real contribution to the workforce and society, whether it is around the corner or around the world.

I join the Chancellor in encouraging you to remain connected to the university as part of our ever-growing alumni community. I look forward to hearing more from you as you join them as valued ambassadors of VU.

Congratulations on reaching this exciting milestone. Our thoughts are with you on his special day.

Sincerely, Adam

100 YEARS OF OPPORTUNITY AND SUCCESS

Congratulations! You have achieved an important milestone. You have succeeded in your tertiary studies and we are delighted to send you into the world – or welcome you back for further study. You are now part of the VU family.

Today's Victoria University is a direct descendant of Footscray Technical School, which first opened its doors to students

in February 1916. The school, with the support of the local community, took up the challenge to offer educational opportunities to the diverse population of Melbourne's West. We remain committed to that goal and we are now one of the longest-standing providers of education in Victoria.

The School adopted the image of the Door of Opportunity as a means of expressing to the entire community the school's purpose and reason for existence. Victoria University remains committed to that spirit and tradition as we embark on our next 100 years.

As the University of Opportunity and Success, we play a role in helping students from diverse backgrounds find success, and in the process we strive to be a distinctive University of the 21st century.

For a quarter of a century we have also been providing exceptional educational opportunities for international students. In Melbourne, nearly 20% of our total student population are international students from over 80 countries. Offshore, through high-quality partnerships,

VU enrolls nearly 4,500 students per year in English, diploma, degree and master courses in China, Malaysia, Singapore, Vietnam and Sri Lanka.

VU is especially proud of our international alumni as they provide marvellous contributions to their employers, families and communities all over the world.

We have grown into one of Australia's biggest and best universities, with over 42,000 enrolled students and just under 2000 staff. Victoria University is ranked in the top 2% of universities worldwide, in the prestigious Times Higher Education World Rankings.

We have campuses in Melbourne's CBD, and spread across Melbourne's western region, and a Sydney campus that offers courses to international students.

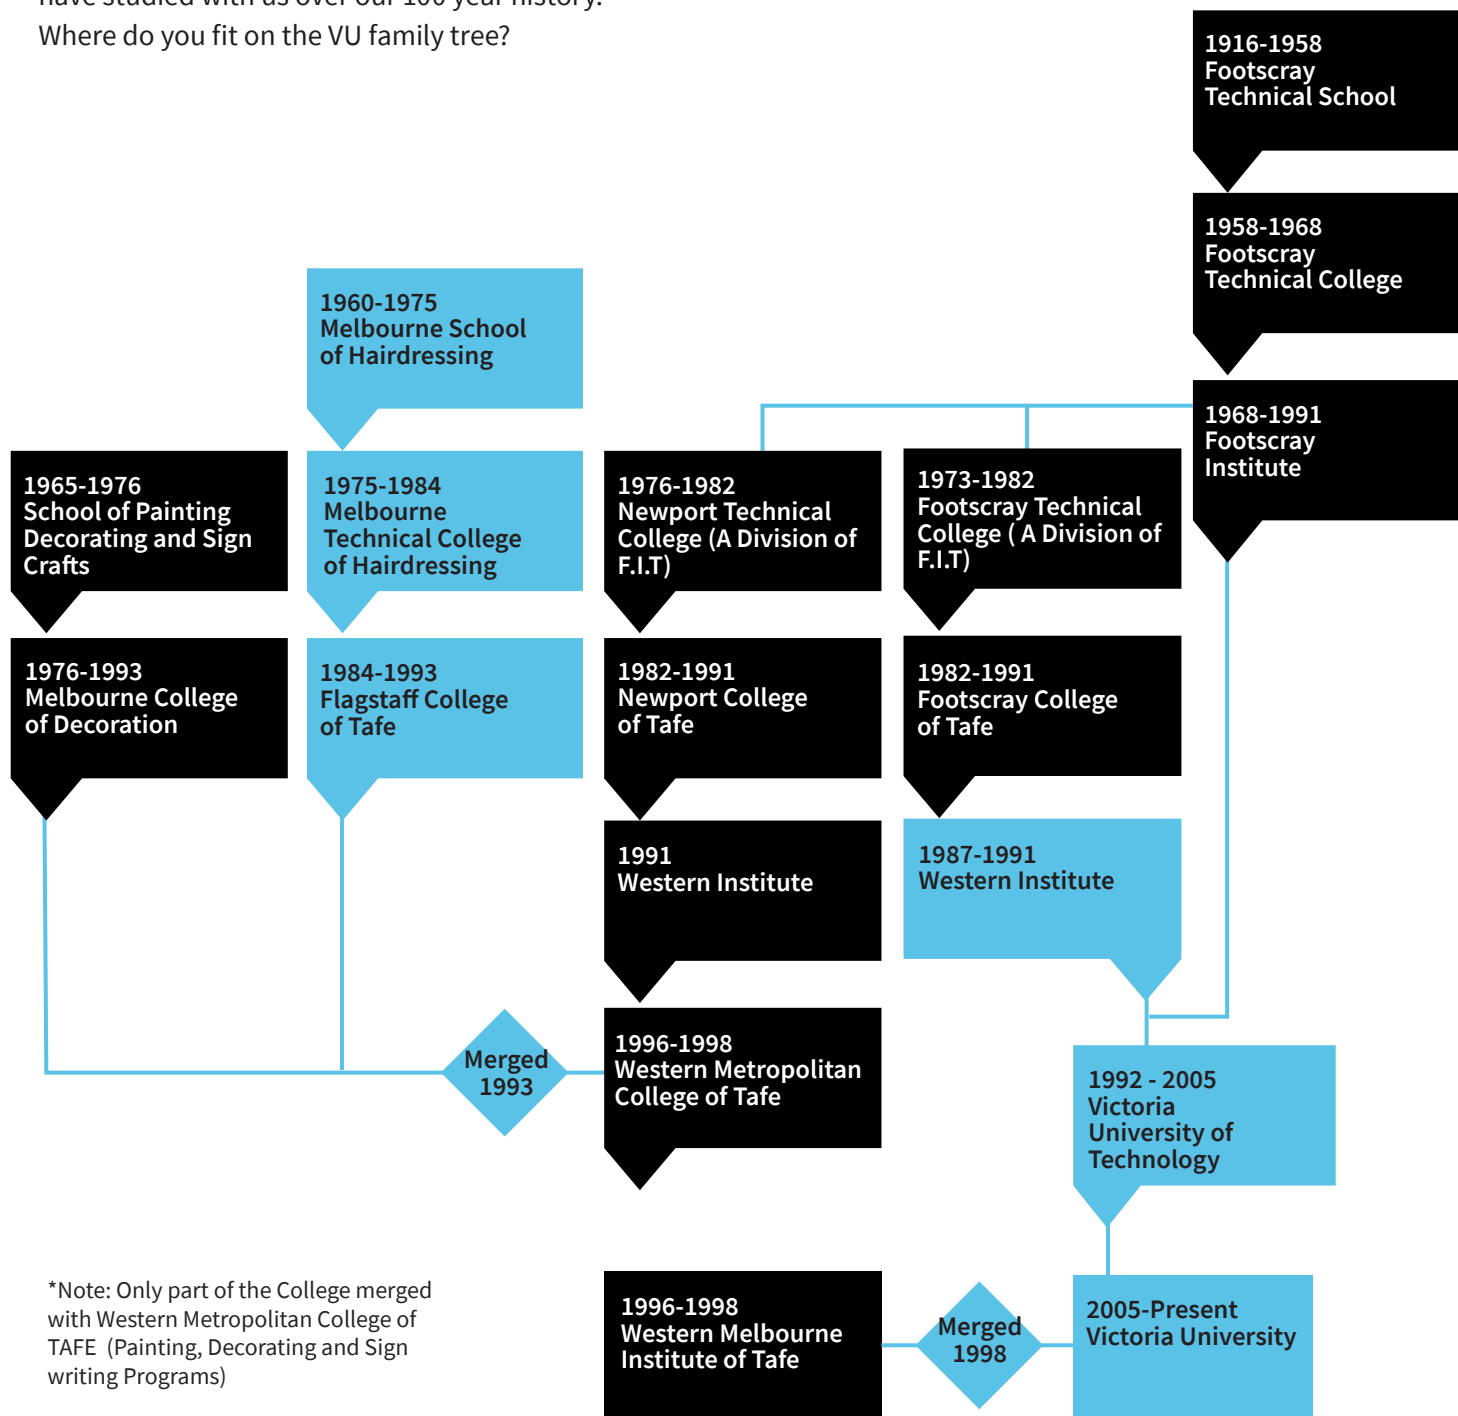

The University encompasses:

- ◆ Seven teaching colleges
- ◆ Victoria Polytechnic, VU's vocational training provider, and
- ◆ Two research institutes in our flagship areas of Sport, Health and Active Living and Sustainable Industries and Liveable Cities.

AT VU, FAMILY IS EVERYTHING

We are a young university with a long rich history dating back to the founding of Footscray Technical School in 1916. We are proud of each and every one of our students who have studied with us over our 100 year history. Where do you fit on the VU family tree?

ACADEMIC DRESS

Wearing academic dress on ceremonial occasions is a celebrated university tradition, and generally consists of a gown (also known as a robe) with a separate hood

(also known as a stole), and usually a cap – doctoral candidates wear a bonnet. Throughout the Commonwealth, universities usually follow the academic dress style of Oxford or Cambridge. Our academic dress is based on the Oxford style. Traditionally, the Chancellor’s gown is faced in gold and the Vice-Chancellor’s gown is faced in silver.

The colour of the hood (stole) identifies the discipline:

Ruby	Arts
Ultramarine	Business or Business Administration
Cherry	Education
Silver Grey	Engineering
Old Rose	Health Science
Parchment	Law
Pansy	Music
Buff	Psychology
Spectrum Green	Science, Applied Science and Sport Science
Gold	Social Studies
Gold	Sport and Recreation
Adonis Blue	Doctor of Business
Cherry	Doctor of Education
Graphite	Doctor of Engineering
Pearl White	Doctor of Laws
Ruby	Doctor of Letters
Sapphire	Doctor of Philosophy
Old Gold	Doctor of Psychology
Spectrum Green	Doctor of Science
Sky Blue	Doctor of the University
Tangerine	TAFE Certificates

The gowns worn by graduating students help distinguish undergraduate and higher degrees:

- ◆ undergraduates and postgraduates wear a black gown – Vocational Education, Further Education and undergraduate gowns have a large slit in each sleeve
- ◆ the masters gown has a long narrow sleeve extension
- ◆ doctoral candidates wear a red gown.

Academic dress for particular awards is as follows:

Certificates – a black cap and an undergraduate gown with a black stole with a facing of tangerine.

Diplomates and Graduate Certificates – a black cap and an undergraduate gown with a black stole with a facing in the discipline colour.

Bachelors – a black gown and black cap with a black hood half lined with the discipline colour. The hood for the honours degree has a white band on the edge of the hood.

Masters – a black gown and black cap with a black hood fully lined with the discipline colour.

Indigenous Australians – the gown of their award together with a calf-length black and red silk stole with gold tassels, a map of Victoria

Doctors – a black bonnet with a gold cord, a scarlet gown with a facing and a black hood fully lined with the discipline colour. in gold silk, ‘Victoria University’ embroidered in gold on the left end of the stole, the sun embroidered in gold silk and ‘Ngaga Jindi Woraback’ embroidered in gold on the right end of the stole.

In official abbreviations of our awards, Victoria University is abbreviated to VicMelb.
