3. Frequently asked question and answers

Below are few questions which are frequently asked by our students. The answers given are only for reference and may vary depending on the situation.

1. How do I allocate to a Timetable?

A: Refer to the section in this manual: 'How to allocate to a timetable'

2. How do I view a Timetable before I enroll to a unit?

A: Refer to the section in this manual: 'How to view Timetable on Timetable Planner'

3. I am unable to allocate to my preferred Timetable as the class is full?

A: If a class is full, you will have to allocate yourself to the available Timetable.

4. I was already allocated to one class and it was changed later by somebody else?

A: Contact Timetable.VUBrisbane@vu.edu.au as this requires further investigation.

5. When I click on MyTimetable, I am unable to see any units?

A: Students will have to wait at least for an hour until their enrolment is reflected on the system to view Timetable for their enrolled units. Even after an hour, if the student is unable to allocate, please contact Timetable.VUBrisbane@vu.edu.au for further assistance.

6. I am enrolled in a unit which is not offered this Trimester/Semester. What can I do?

A: Students will have to withdraw from the unit and enroll into a different unit following Course Coordinator's advice.

7. I am unable to take this unit in this block and I would like to amend my enrolment. Which unit should I choose?

A: Students will have to follow their Course Structure and seek further advice from their Course Coordinator to decide whether they can amend their enrolment without impacting their study period.

8. I am forcefully allocated to a class and do not prefer this Timetable?

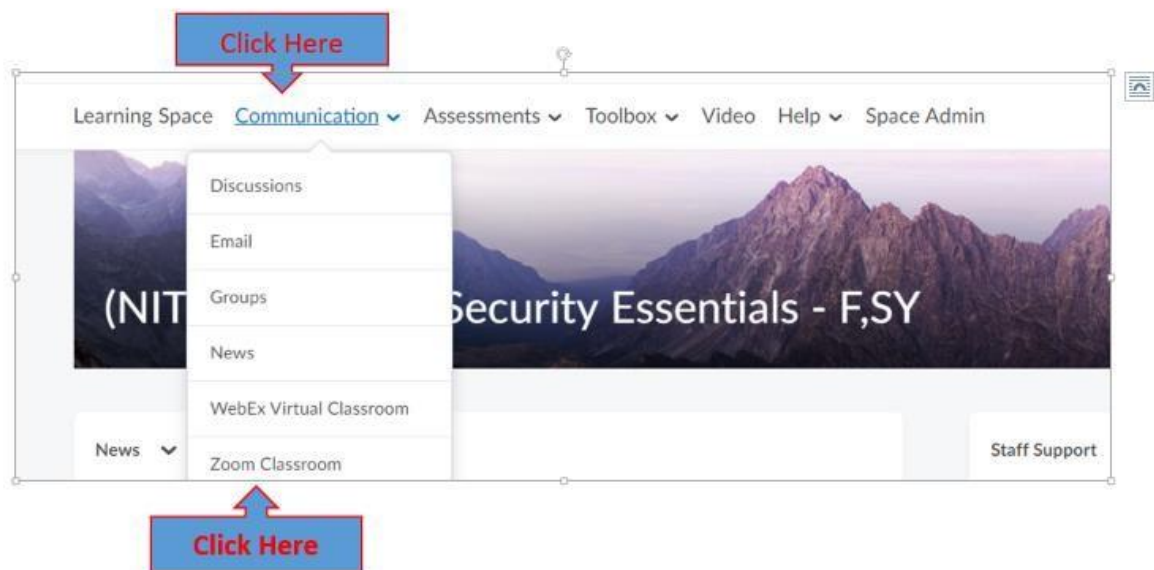

A: Students are advised to allocate to a class timetable as soon as their enrolment is finalized. Any student who remains unallocated until the provided date will be forcefully allocated to the available class. They must either stick to the allocated class or seek advice from Course Coordinator with regards to Unit amendment.
